2/5/18 PTO Meeting 6:30pm \* 2/14/18 Valentine Parties 2:30pm

### MESSAGE FROM MRS. ROCK

This week students will be completing some assessments in reading. They will cover word study skills, vocabulary, comprehension, and fluency. These tests show how much growth the student has made since September. Please make sure that students are here this week and the beginning of next week. I will be passing along the information on how they did on these tests and how much growth they have made.
