5/22/18 Last Day of School Dismissal at 1:00 pm

### MESSAGE FROM MRS. ROCK

We are in need items for students to construct our quadrilateral city. Plastic bottles, boxes, cardboard, scrapbooking paper, felt, or any other craft supply donations would be helpful. Students will use these materials and turn them in to buildings for the town. This is our end of the year project which incorporates math, science, social studies, reading and writing standards.
